Northside ISD does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing access to benefits of education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Acts of 1964, as amended, Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; and Title II of the Americans with Disabilities Act.

UIL Athletic Participation

According to UIL policy, once enrolled in a magnet program, if the student leaves the magnet school to attend the school of the parents' residence or any other high school, the student is not eligible for varsity athletic competition for one calendar year. Also, students who attend NISD magnet schools will represent only their respective magnet/host campus in school extracurricular activities.

Student and Parent Agreement

We understand that the curriculum of Construction Careers Academy is designed for students interested in pursuing a career in a construction related field. We understand that admission to the Construction Careers Academy is competitive, and if accepted, we understand that satisfactory behavior, conduct, attendance and academic progress are mandatory for continued enrollment. We realize that administrators from Warren High School and Construction Careers Academy will view discipline records as part of the application process. Due to outside contact with professionals, future employers, and the general public, a higher standard of appearance is expected of all Academy students than what may be expected at a traditional high school. We understand that the Academy administration and faculty will advise students on the responsibility of maintaining a mature and professional appearance, including length, coloring, and styles of hair grooming as well as appropriate dress and footwear. We agree to abide by all NISD policies including discipline, regular and punctual attendance, good conduct, and passing grades. Because computer technology and internet access are an important component of the Construction Careers Academy curriculum, we agree to ethical practices regarding computer security and communication networks. We agree to follow NISD policies regarding computer Internet use. We understand that if we transfer to another high school, UIL rules prevent us from playing varsity athletics for one school year.
